

Veenker Memorial - 2026-09-27 - shot distances, with your comments

Gold tees, back nine start, 11:19 to 15:29. Holes in the order played. Type in the box under each hole; save the PDF when done.

Shot distance [measured] = GPS mark of this shot to GPS mark of the next shot (n=1 mark pair each). To the hole = this shot's mark to the cup position.

Putt distances [entered] are what you typed on the green. (map) = the lie came from the course map, not from you. Nothing here is filled in by guess.
